

The One Trillion Dollar Afghanistan and Climate Change DNC Payola Scam Is Breaking Open!

By Rhonda Fleister

DNC bosses are running for their lives as one-after-the-other are hauled into corruption trials, FBI investigations and Congressional hearings.

It is now obvious that the DNC was up to some massive criminal activity.

The DNC used Afghanistan war mining deals to try to profiteer at the expense of the public. Along with Silicon Valley Oligarchs, they created fake climate change data and Obama policies which exclusively put the cash in their pockets and nobody else's.

They sabotaged their business competitors using government resources.

The Weiner and Wasserman Schultz computers, The Panama Papers, The Guccifer hacks and the NSA records prove it.
