

XYZ Investigation Reports

DEMANDS:

- 1.) Victims demand a fair jury trial and restitution for the attacks**
- 2.) Victims demand the arrest and prosecution of those parties who engaged in these attacks**

THE XYZ FILES

THIS CASE IS NOT ABOUT POLITICS, DEMOCRATS NOR REPUBLICANS. IT IS ABOUT ORGANIZED CRIME AND FELONY LAW BREAKING!

Do not buy into the "bad guys" smoke-screen attempts, in this case, to play it off as an ideological battle or a campaign issue.

The facts are: Criminals did crimes. They broke the law. They lied. They stole U.S. Treasury taxpayer cash. Justice must be delivered in a legal yet devastating manner!

THE XYZ CASE: “THE CLEANTECH-CRASH CRIMES”

A trillion dollar-plus political corruption case which abused taxpayers nation-wide and the public policy system over-all.

- The victims demand justice and restitution for the fraud, harassment and interference they suffered. These citizens must be compensated for the malicious, proven, retribution tactics, lies, toxic poisonings, vendetta cut-offs of all government benefits, vendetta cut-offs of all employment and revenue sources, interference, "missing hard drives" and interdiction efforts conducted, with applicants own tax dollars, against the applicants. Neither they, their families, staff and associates will rest until justice prevails.
- The public demands the arrest of the corrupt.
- Justice demands resolution or the repercussions will only continue to accelerate and amplify.

This crime continues to this day. The cover-ups continue to this day. The attacks on the victims and losses by the victims continue to this day.

Senators Reid and Feinstein, White House staff and Dept. of Energy executives had insider trading deals with Silicon Valley tech billionaires. They used Google and Gawker Media to attack witnesses, destroy competitors and rig the news in their favor while exploiting illicit mining and stock market crony corruption deals. The only "Green" thing they were interested in was the cash! They had "hard-wired" the DOE money, in advance, for the campaign financiers and simply used/defrauded the non-crony applicants as a smoke-screen to hide their scam while monopolizing markets in a scheme agreed to with Rahm Emanuel, David Axelrod, David Plouffe and their Cartel.

Through over-whelming transparency and evidence aggregation, this project seeks to document the crimes, on public record, on a permanent basis; and, without breaking a single law, terminate the corrupt and their corruption. It is the intent of the victims to, either, sue each and every suspect or acquire resolution from the government agencies involved.

Ten Times Bigger Than “Watergate” ...

One Hundred Times More Cover-Ups...
One Final Conclusion: Felony Crimes!

The definition of “politics” is:

“The process in which a man fights with another man to see which man, and his friends, will get to put your tax money in their pockets.”

Representation of taxpayers in Washington, DC has become almost entirely about making fake “laws” which direct U.S. Treasury cash to one side or another. In the “Cleantech Crash” incident, this process stooped to the level of mobster-ism and organized crime.

This is the investigation of the crimes, the suspects and an outreach for the victims.
