

ALL OF THESE CORRUPTION CRIMES ARE ABOUT CRONY KICK-BACK PROFIT PAYOLA

It is of the utmost importance that researchers, investigators and observers understand that these matters have nothing to do with issues of politics or ideologies.

Politics or ideologies were used, by the criminals involved, as mass marketing manipulation tools in a secondary manner in order to manipulate voter trending pressures and increase the crooks government cash windfalls.

The core goal of these corruption crimes was to conduit trillions of government treasury dollars and stock market valuation manipulation profits into the pockets of certain politicians and their crony financiers.

In the ensuing exposure and cover-up, now underway the criminal elements constantly seek to steer circumspection away from themselves by drawing on emotional political ideology triggers, ie: "...don't believe that we politicians did any crimes, we are part of your political party. It must be the bad OTHER political party making up stories because they are jealous..."

In fact, for a free scoop into the pig trough full of trillions of taxpayer dollars these criminals have proven that they will lie, murder, extort and operate more like a crime syndicate than a pool of elected representatives.

This is not about politics, this is about crime.
