

ABOUT THIS CASE...

The folders that we and public investigators have posted hold samples of millions of items of evidence proving the charges in this political corruption case.

HERE IS PROOF, FROM OVER 10,000 INVESTIGATIVE JOURNALISTS, CONGRESSIONAL RESEARCHERS AND FEDERAL LAW ENFORCEMENT SPECIALISTS! THE CROOKS CAN'T COVER THIS UP ANY MORE!

Join billions of consumers with new forensic technologies that we have helped provide. Be part of the global exposure of dirty payola schemes and the shaming of the tech oligarch crooks who use our Democracy as their plaything.

This is payback for the attacks on Democracy (ie: [THE ATTACKS ** - Why We Are Hunting Down And Prosecuting Each Attacker](#))**

We are the largest collective of citizen sleuths and former federal investigation officers in the world. There is now no corrupt person or corporation that citizens can't take down using 100% legal FBI-class digital forensics!

Our goals:

- 1.) To put the corrupt people and companies, on the list below, out of business, using fully legal forensic tactics and media shame. Those who were supposed to arrest them have been bribed and influenced to delay justice. Those delays will no longer be tolerated.**
- 2.) To educate every voter in the world about how to operate forensic investigations, as sophisticated as the FBI or the CIA do, from the comfort of their home.**
- 3.) To eradicate fake news shell entities and make all news open-source public information gathered by the public. The "*deflect, delay & disinform*" tactics of the tech oligarchs will be exposed and illuminated at every turn.**
- We are well on the way to accomplishing every one of these goals thanks to crowd-sourced forensics and peer-to-peer communities!**

You can **stop** **CORRUPTION**

WHAT DOES THIS EVIDENCE PROVE?

- That State and Federal agencies owe us money, and other consideration, to pay for our: damages, losses, benefits blockades, witness fees, whistle-blower fees, informant fees, punitive compensation, legal costs and other items caused by criminal corruption, reprisal attacks and illicit quid-pro-quo operations within the government offices of their government employees, contractors and covert financiers.
- That an organized crime program exists between Silicon Valley tech oligarchs, investment banks, U.S. Senators, government agency staff and White House staff to engage in these crimes.
- That public officials knowingly participate in these crimes by failing to report their associates who engage in these illicit actions and by hiring suppliers who operate these illicit activities.
- That the suspects manipulate government funds for their personal profiteering at the expense of domestic citizen taxpayers like us.
- That the suspects operate a vast stock market manipulation program, as a core function of their operations, and those illicit deeds function at the expense of the public to render unjust gain to public officials.
- That the suspects contract a known group of lobbyists, corrupt law firms, unethical CPA's, corrupt investment banks and specialized corruption services providers to attack, defame, physically harm, character assassinate, black-list and/or kill those they dislike and they harmed us with those acts.
- That the suspects operate an Epstein-like sex-trafficking network of prostitutes and sexual extortion activities and locations for the engagement of said activities and for the bribery of cohorts via sex workers.

- That the suspects engage in electronic attacks and manipulations including hacking, election manipulation, media censorship and internet search results manipulation in order to mask their schemes.

- That the suspects engage in Lois Lerner-like, SPYGATE-like, VA whistleblower-like reprisal and retribution attacks using government agencies like SSA, DOJ, FBI, LSC, HUD, HHS, DOE, Etc.

We have filed written actions demands for justice with the: FBI, DOE, IG, REGIONAL AGENCY DIRECTORS, SSA, DOJ, SEC, FTC, CFTC and related agencies. The public must speak out, raise hell and demand laws that end covert bribes to politicians. This is about a group of U.S. Senators, Silicon Valley Oligarchs and crooked lobbyists who commit crimes in order to manipulate over a trillion State and federal tax dollars into their, and their friends, pockets. They trade bribes in the form of: Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures stock and stock warrants which is never reported to the FEC; Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures search engine rigging and shadow-banning which is never reported to the FEC; Free rent; Rare-Earth mining rights; Male and female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing and mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which are really just pay-offs conduited for donors; Gallery art; Private jet rides and the use of Government fuel depots (ie: Google handed out NASA jet fuel to staff); Recreational drugs; Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss and related money-laundering accounts; The use of HSBC, Wells Fargo, Goldman Sachs and Deustche Bank money laundering accounts and covert stock accounts; Free spam and bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington & Burling, etc. to conduit bribes to officials; and other means now documented by us, The FBI, the FTC, The SEC, The FEC and journalists.
