"Smallville" actress Allison Mack was arraigned on Friday at a federal courthouse in New York following her arrest on sex trafficking and conspiracy to commit forced labor charges as part an alleged sex cult, Fox News confirmed Friday.

The 35-year-old was last seen in March running after purported cult leader Keith Raniere as police hauled him away from a \$10,000-a-week Mexican villa where the pair had reportedly been hiding out.

"I have no comment on the arrest this afternoon of Allison Mack," a rep for the star told Fox News. But the New York Post reported that Mack pleaded not guilty.
