

# The Real Secret Of Silicon Valley's Corruption

By Susan Anster

Silicon Valley oligarchs and venture capitalists are a Mafia-like cartel. They are comprised of three sub-groups: The East Indians, The Fraternity Boys and The Big Jews. Each of these sub-groups intermingle with the other groups.

Each of the members of these groups are generally males from dynastic elitist families who practice blood-line eugenics and are widely known for their misogyny and sexual abuse of women; their racism and cultural segregation; their sense of “entitlement” and privilege; their iconic use of Tesla cars, watches and overt materialism; their competitive acquisition and disposal of trophy wives; their law breaking tax evasion, securities frauds and political bribes; their worshiping of Elon Musk; their use of hookers and sex-for-hire street boys; their references to themselves as mobsters and “tech Mafiosos”; their unfathomable need to attempt to control politics and force their twisted ideologies on the public; the large number of closet-homosexual and covert trans-genders in their community; their Eyes Wide Shut elite sex parties where they can control others; their sociopath-like tendencies; and other perverted tendencies.

The “Big Jews” in this group formed The National Venture Capitol Association ([www.nvca.org](http://www.nvca.org)) to maintain control over who gets funded for new ventures. They use this organization to finance the DNC political party in order to get crony deals as kick-backs from their candidates. They black-list those entrepreneurs who might have technologies that compete with their political or business interests.

The East Indians were branched off by Vinod Khosla. Ravi Kumar, one of their guys, was killed by his hookers.

The Fraternity Boys came from Stanford, Yale and Harvard where their fraternities were run, for over a hundred years, by rich dynastic family fathers who thought rape was OK and that their sons should “*take what-ever they want*”. Their goal is to only hire each other as the heads of business so they can maintain dynastic control.

The Big Jews and The Fraternity Boys partner with The Hollywood Types in Los Angeles to try to illicitly own broadcast media monopolies and control the messages, impressions and news that the public receives.

Silicon Valley got sued in the High Tech No-Poaching class-action lawsuit and it was made public in court that the heads of Silicon Valley collude to rig jobs in Silicon Valley. In numerous other scandals, (ie: “AngelGate”) it was proven, with hidden recorders and eye-witness reports, that the Silicon Valley investors are colluding, black-listing scumbags.

The founders of Paypal, and the companies in Silicon Valley in that era, actually call themselves “The PayPal Mafia” and pride themselves on their mobsterism.

More hookers are hired by Silicon Valley in a day than in all other American regions in a week. More executives have been murdered by their hookers and Ukrainian mail-order hotties in Silicon Valley than in any other region in the USA.

They use Burning Man as a private look-at-me, self worship, narcissism orgy.

If you are not from a top tier caste family in India, The East Indian Silicon Valley investors won't fund you.

If you are not Jewish, The Silicon Valley Big Jews won't fund you.

If you are not from a dynastic elitist family or did not go to one of their fraternities, the Silicon Valley Fraternity Boys won't fund you.

If you are a woman, none of them will fund you but they will all try to extort you for sex. If you do not have square-jawed symmetrical facial features and if you do not speak in platitudes and TED Talk BS-Speak, none of them will fund you. If you have a great technology idea, all of them will look at it, copy and steal it!

The description most women in Silicon Valley give to the oligarchs of Silicon Valley is: “*Rapists, abusers and extortionists...*”

The reality is that Silicon Valley oligarchs at Facebook, Google, Twitter, Greylock, Kleiner, Uber are truly, absolutely, the most sick and valueless scum-sucking shit on Earth!
