## Additional Reports and File Evidence on the Investigations- PAGE 15

A vast, extensive, set of evidence documents and investigation reports have now been filed in dozens of lawsuits relating to the [CARGATE](#) incident. The following is a small sample of items reporters have been able to acquire. Items will be added as they become available. You can source original documents online, in many cases, with a keyword search.

-----  
These documents represent only a small percentage of available documents. They were selected by reporters as the easiest for the public to understand in a rapid review. Law enforcement investigators are understood to have a far more extensive set. These documents confirm that either: 1.) Organized crime was engaged in by the parties or, 2.) one of the most criminally negligent programs in domestic history was operated by DOE staff and associates.

-----  
So the law and the public must decide: Was the ATM/LGP program run by criminals or assholes? The evidence clearly shows that it is was one, or the other.
