

Facebook Is Paying The Institute For Strategic Dialogue To Monitor And Change Your Right-Wing Views

(technology)

by [shadow332](#)

Facebook spends 10s of millions of dollars to track behaviors and attitudes of FB users

Influences (through phone apps and social media messages) both the target AND their FRIENDS, FAMILY, AND WORK GROUPS

Plans to spread to closed forums and social media platforms

Methods were tested on "terrorists" and "Islamic extremists", now to be used on ANYONE liking or commenting on right wing groups, meme pages, etc.

[Video](#) [YouTube](#) and [document](#).

Don't have Kikebook? Doesn't matter. Watch the video and you'll see that right now they're targeting facebook users, but they're spreading their datamining and doxxing to other platforms, including here and anonymous boards.
