THE CORRUPTION OF FACEBOOK AKA META

Corrupt political families conspire to give government funds, contracts, tax waivers, buildings, stock market profits and other insider perks to themselves and their friends. They also conspire to blockade, harm, sabotage and black-list those who compete with them and their friends. These corrupt politicians are never prosecuted for their crimes, and can laugh in the face of those who point out their crimes, because they control the prosecution system. Their Quid Pro Quo criminal corruption is the single largest cause of the taxpayer hatred of Congress.

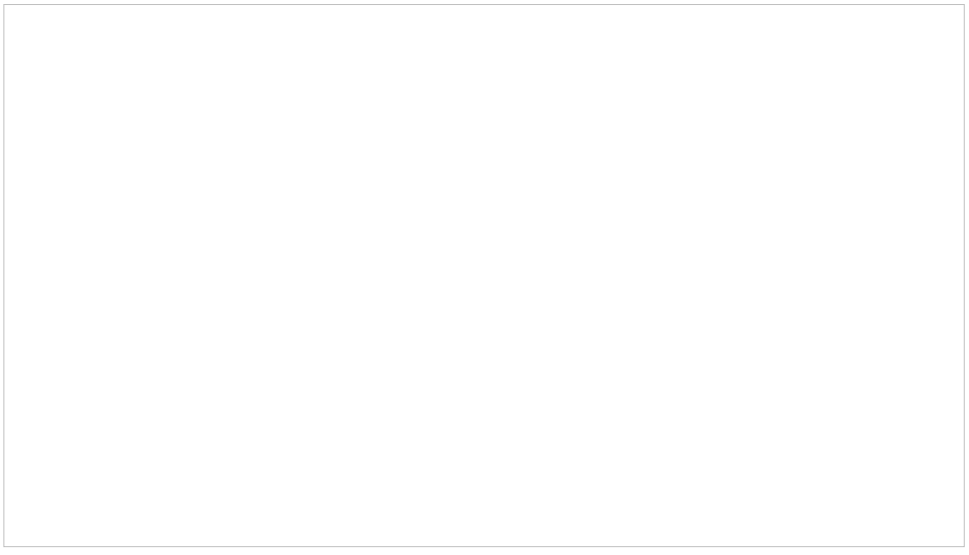
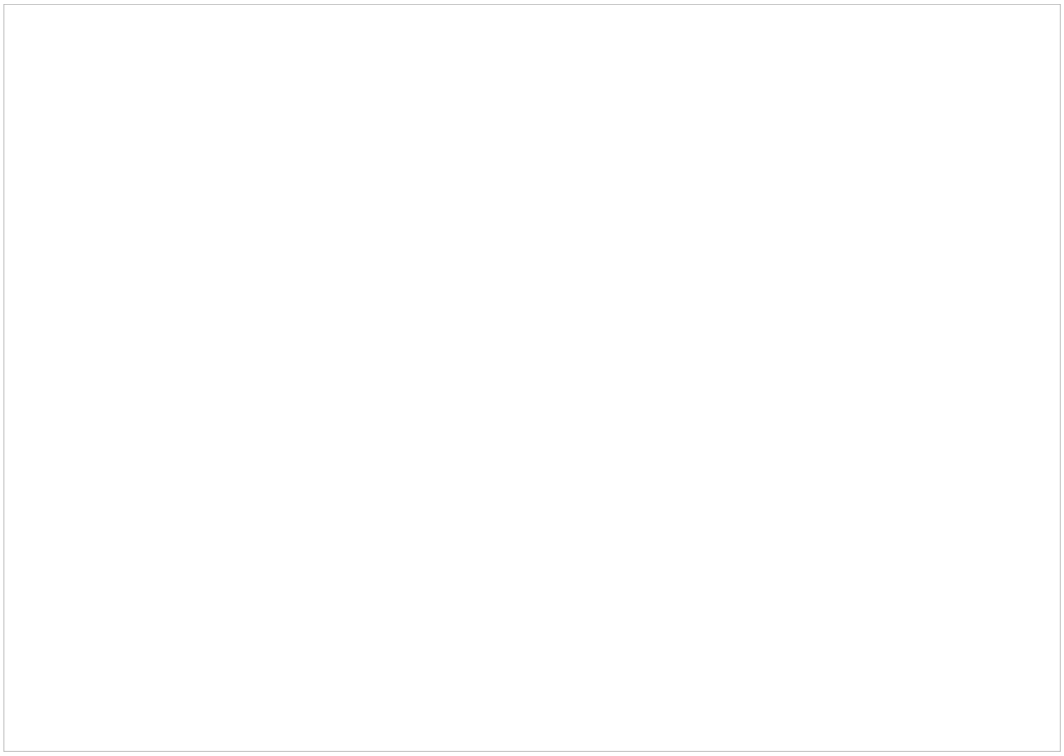
---- Facebook-Meta hired most of the Washington, DC K Street lobby firms and told them to “do what ever they could” to control public policy for Zuckerberg. The film: “Miss Sloane” depicts only 2% of the illicit lobbying tactics Facebook-Meta employs daily.

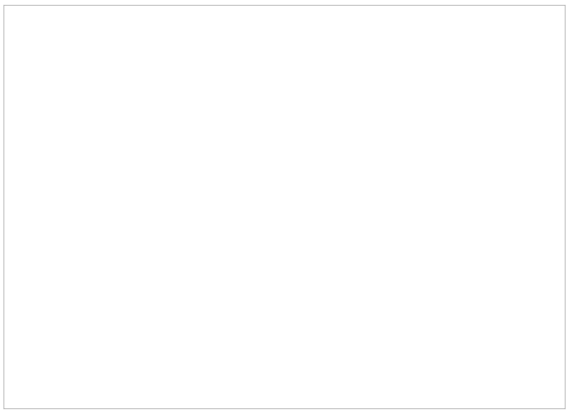


---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

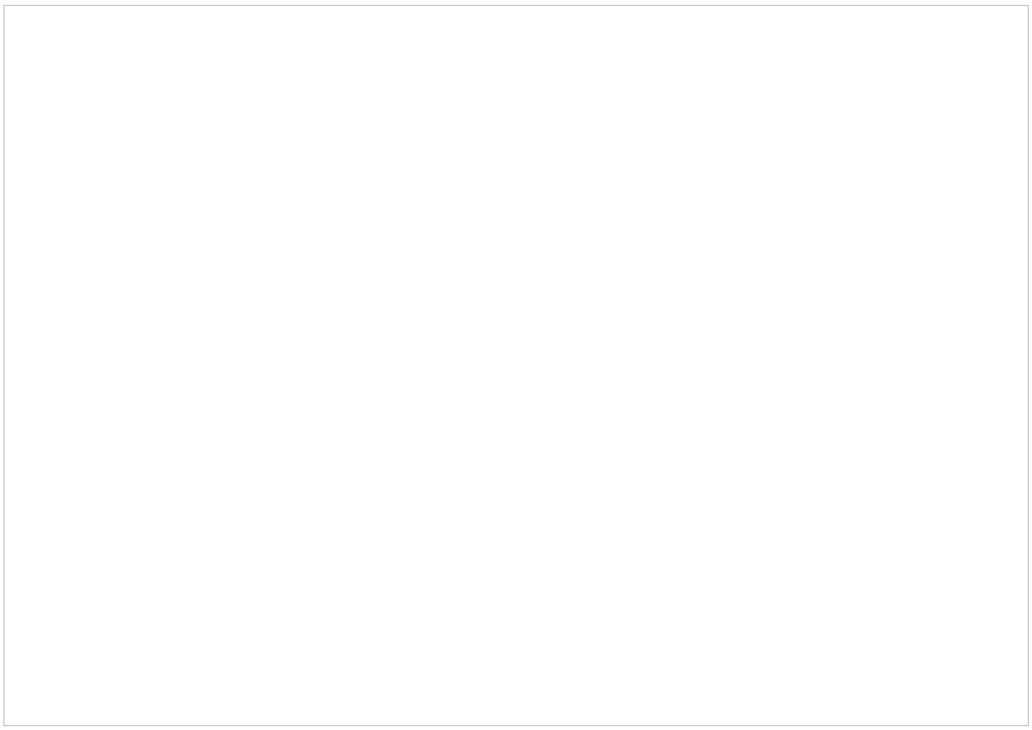


---- Twitter, Splunk, Google, Facebook, Netflix, YouTube and the Silicon Valley internet Cartel serve you custom manipulated content by automatically creating a covert digital dossier on you reflecting the content consumption preferences they have spied on about you. They continually evolve their dossier on you in order to steer you towards their ideology and their Democrat political party. At these companies, “data mining”, “machine learning” and “AI” means computerized propaganda processing for certain political entities. They began hiring off-shore people (because they would work so cheap) but most of those people turned out to be Muslim. This created conflicts with the entire southern part of the United States (which is anti-Muslim) because those workers steered content to pro-Muslim positions.

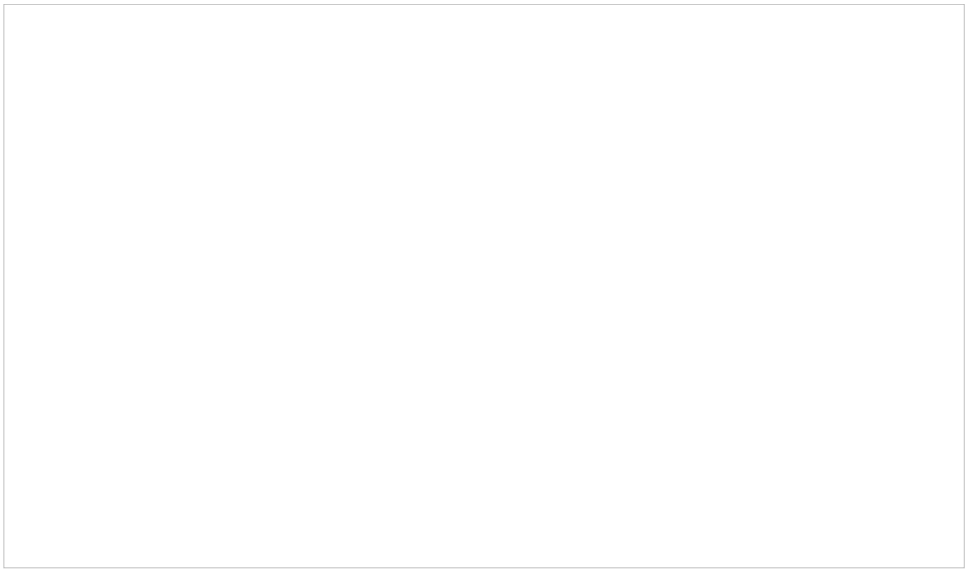


---- Their spy dossier on you uses abstract content-specific features of the consumed content, such as categories, topic models, and entities, which they automatically extract using natural language processing by comparing every word you use to a giant computer library of what those words might mean about your psychology. So it’s like you are getting “mind-raped” without any penis use. Their assessment of what your words might mean is based on what rich, white male, $200K/year, DNC-promoting programmers think they might mean. Their computers scale and expand their tools with algorithmic software created by those politically and socially biased frat white boys that wrote the code.

It is all biased as hell. They never hire blacks or women in system creation roles so everything these companies do only supports rich white soyboy snowflake type gamer thinking. ---- Because their Silicon Valley VC's told them to spy on billions of people, even for these web giants, it is impractical to store the entire dynamic history of a user's interaction features. They, thus, out of greed, use algorithms that selectively decay information in order to generalize users and populations. To them, you are just a generalized data point, like cattle on a ranch, to be harvested and fed upon by Silicon Valley.



By comparing records and files from FINCEN, FBI, FTC, SEC, Congressional Investigators, ICIJ, FEC, Interpol, CIA, DOJ, ProPublica, and other sources, one can easily see that political officials own Google, Tesla, Facebook, YouTube, Instagram, et al, (AKA "The Tech Cartel" or, in legal terms: "The Enterprise"). This explains why those companies have been exempt from regulation and prosecution. Those public officials and tech company oligarchs have exchanged millions, and millions, of dollars between themselves and their families for profiteering.



They were all either financed by, friends, with, sleeping with, dating the staff of, holding stock market assets in, promised a revolving door job or government service contracts from, partying with, personal friends with, photographed at private events with, exchanging emails with, business associates of or directed by; our business adversaries, or the Senators and politicians that those business adversaries pay campaign finances to, or supply political digital search manipulation services to. Criminal U.S. Senators coordinated and profited in these schemes. Their own family members have now supplied evidence against them. You don't hear about this, much, in the "main-stream news" because nearly half of Congress, White House staff and government agency bosses own the stock in the news broadcasters and receive billions of dollars of financing from them.

Many witnesses, including us, have now sworn, warranted and certified to federal law enforcement about the details of these crimes. Many of those whistle-blowers were former executives in "The Tech Cartel'.

This is not about politics. It is about felony crimes! Our government representatives are business partners with our biggest enemies and make decisions based on greed, not duty!

Any issues re: culpability can be easily resolved in meetings with the FBI, FINCEN, The SEC, The IRS, The FTC, ICIJ.ORG and open Congressional hearings! Never was the term: "Follow The Money" more appropriate than for these people! Why are these people not yet arrested for election manipulation, RICO and Anti-trust violations, money laundering, bribery and other illicit deeds? Who is protecting them? Who is telling the police not to act? This list also serves as a demand for investigation and prosecution of these individuals who conspired to engage in these illicit acts. This is not the complete list.
