84. Sarcasm (40M followers) – Deleted on June 7th, 2018.

Look at all those health and wellness pages!

This is a crime against humanity as far as I'm concerned.

And these are only the pages I know about. All of them were owned by my friends. Many other pages have been deleted or unpublished recently. So many pages got deleted in June that [Swapd.co](#) halted the buying and selling of Facebook pages. Check out their PSA about this:

swapd.co/t/warning-facebook-purge-06-2018-warning-about-possible-deleted-fanpages-and-accounts-take-action-now/27844

Here's what the Swapd staff think is happening:
