**HERE IS CONFIRMING EVIDENCE AS PROVIDED TO CONGRESS, THE FBI, THE DOJ, THE FTC AND ALL RELATED LAW ENFORCEMENT AND REGULATORY AGENCIES. THIS DATA WAS PRODUCED BY OVER TEN THOUSAND INDEPENDENT INVESTIGATORS AND RESEARCHERS. THE ONLY PEOPLE WHO DENY, OR OBFUSCATE, THESE FACTS ARE THE CROOKS, THEMSELVES.**

## THE POLITICAL CORRUPTION, BRIBERY, ELECTION MANIPULATION AND REPRISAL ATTACKS THAT WE WITNESSED

White Staff, U.S. Senator's family members, Mayor's staff and Google oligarchs told us about these crimes. They showed us how they do these crimes. Famous politicians and their Big Tech financiers joined forces to manipulate government Dept of Energy, HUD, EPA and other funds, and stock market rigged "pumps" into their own pockets in the last two "stimulus" funds. There has never been so much taxpayer cash given to so few people, where each, and every, one of the recipients was a friend of the politicians. Those who got the cash immediately skimmed "unjust stock market profits" with it and paid kick-backs to the politicians. Almost every competitor to the insiders, was attacked and sabotaged using state and federal resources. The victims demand justice and restitution for the government investment fraud, loss of years of their lives under a false federal pretext, harassment and interference they suffered. The victims seek to be compensated for the malicious, proven, retribution tactics, lies, toxic exposures, vendetta cut-offs of all earned government funds and benefits, tort-based interference, "missing hard drives" and interdiction efforts conducted, with applicants own tax dollars, against the applicants. This is a felony-class slush-fund crime that has cost taxpayers trillions of dollars in losses and has cost Plaintiffs many tens of millions of dollars in damages and losses. Big investment banks like J.P. Morgan, Goldman Sachs, et al. coordinated these schemes with money laundering, tax evasion, offshore covert funds and other financial trickery. FinCEN, Interpol, FBI, GAO, and most other investigators, have proof of these assertions but they have been stalled from making arrests. The money-tracks go right back to the politicians families from the bank accounts of Google, Facebook, Tesla, Netflix, Sony Pictures, etc; forensic accounting records. Government agencies were in charge of making sure these crimes did not happen but they chose to 'steal instead of serve!' They chose to help these crooks 'cheat instead of compete!' The politicians that the taxpayers EMPLOY do not get to make hundreds of millions of dollars in crooked profits off of government funds that are supposed to help citizens under duress. They won't let us have a jury trial or a live Senate hearing because they know they will lose and they will be shamed! They dug their own graves and now it is up to the voters to bury them in the next election!

- There has never been so much taxpayer cash given to so few people, where each, and every, one of the recipients was a friend of the politicians. Those who got the cash immediately skimmed "unjust stock market profits" with it and paid kick-backs to the politicians. Almost every competitor to the insiders, was attacked and sabotaged using state and federal resources. The victims demand justice and restitution for the government investment fraud, loss of years of their lives under a false federal pretext, harassment and interference they suffered. The victims seek to be compensated for the malicious, proven, retribution tactics, lies, toxic exposures, vendetta cut-offs of all earned government funds and benefits, tort-based interference, "missing hard drives" and interdiction efforts conducted, with applicants own tax dollars, against the applicants.-
- Crooked left-wing Cartel Judges and DOJ insiders cherry-pick the text of witness reports and crime tips in order to manipulate the words of the whistle-blowers and ignore the facts that harm those Judges/DOJ/FBI insiders buddies.
- NONE of the witnesses came forward because "*they didn't win a grant*". That is a lie cooked up by liberal DOJ bosses and judges. The witnesses came forward because they SAW THEIR GOVERNMENT BEING SOLD LIKE A GARAGE SALE and because they witnessed crimes by Senators and White House bosses.
- The witnesses/victims have been blockaded from ever having a Jury Trial, speaking before a Grand Jury, speaking before Congress or having their case properly heard in public. In spite of that, they are using social media, 'ai' and novel distribution to make sure everybody in the World hears these facts.
- The "BAD GUYS" in all of these crimes and corruptions are the same handful of people listed in "THE HUNTED" page on the top Menu.
- Any corporate media network that refuses to publish these facts and news articles is SELF-IDENTIFYING as a political shell organization that exists to hide facts and rig the news to protect certain political and big tech oligarchs.

- The FBI, NSA, DOJ and other agencies know exactly who hired, paid, directed, and coordinated the attacks by attackers: John Cook, Nick Denton, Patrick George, Adrian Covert, John Hermann, Google - YouTube, Gawker, Valleywag, Black Cube, Fusion GPS and the other hired reprisal attackers. These agencies ave the records of the money and asset transfers, the phone calls, the emails and the meetings to set-up and report on the attacks. These attackers are now under surveillance, by many parties, for the rest of their lives.
