

Democrats Use Mexicans For Profiteering And To Pad Their Millionaire Stock Market Accounts

By Audrey Duke

Nobody cares less about Mexicans than Nancy Pelosi, Jerry Brown and Dianne Feinstein. To hear them wail about Mexicans, though, you would think that they were running a secret drug tunnel to Guadalajara.

The only reason whatsoever that they pretend to support Mexicans is so that they can swell the DNC's voter numbers in order to put their friends in office to give them crony kick-backs.

Nancy Pelosi, Jerry Brown and Dianne Feinstein have made tens of millions of dollars in personal profits from rigging elections to benefit Nancy Pelosi, Jerry Brown and Dianne Feinstein.

Nancy Pelosi, Jerry Brown and Dianne Feinstein are actors. They pretend to be upset about things that will cause laws that will make Nancy Pelosi, Jerry Brown and Dianne Feinstein rich at the expense of taxpayers.

Nancy Pelosi, Jerry Brown and Dianne Feinstein are disingenuous fakers and liars who excel at manufacturing a crisis when that pretend-crisis will make them richer.

Fuck You: Nancy Pelosi, Jerry Brown and Dianne Feinstein! You are corrupt dancing monkeys on George Soros and Elon Musk's string!
