

"Immigration" is About Democrat Senators Rigging Elections To Pad Their Bank Accounts

Why don't the Republicans simply state the obvious out loud:

Nancy Pelosi gets paid \$170,000.00 per year to do her job yet she gets \$84,000,000.00 per year from insider stock trading and crony cash for rigging government funds. The more immigrants that can be shipped in to pump the vote for Pelosi, the richer Pelosi and her friends get!
