Our Single Most Deadly Weapon Is: **THE TRUTH!**

You can help expose the employee abuse, hookers, sociopath CEO's, mobster venture capitalists, tax evasion, female sextortion, character assassination attacks by Black Cube and Fusion GPS, sex cults, bribery of White House and Congressional executives, election cheating, Quid Pro Quo via Silicon Valley insider trading and other illicit deeds of these dirty politicians and their Big Tech oligarch financiers!

Email the facts about the dirty companies of Silicon Valley to every consumer, every advertiser you see on their sites, every shareholder in their companies, every venture capital firm in Silicon Valley, every member of the news media, every member of Congress, every government investigator and post the facts about their corruption and social abuse on every social network! Exterminate them with the truth!

DEMAND that Congress And Your Elected officials put *dirty* Google - YouTube; Facebook - Meta; Tesla; LinkedIn; Kleiner Perkins; Greylock, Netflix; Twitter and Their Silicon Valley Corruption Cartel OUT OF BUSINESS!
