

Which Law Firms Run The Political Organized Crime Scams For The Silicon Valley Oligarchs?

By Paul Ruttner

When Eric Schmidt, Ried Hoffman, Larry Page or Steve Jurvetson do political crimes, payola, bribery, Dark Money laundering and other dirty deeds, they don't actually do most of the dirty work themselves. They have their law firms do the crimes.

Everyone knows that Perkins Coie, Covington Burling, Wilson Sonsini and Mofo are left-wing shills and political operatives for the DNC but did you know these insider law firms that can hide a bribe like magic, for the Palo Alto Mafia:
