

# **Your Phone Is Killing You And Destroying Your Life**

**By Donna Lawson**

Did you know that the electronics in your phone, AND, 99% of the 'Apps' on your phone are tracking you, spying on you, tricking you, and reporting to others when you:

- Get an abortion
- Have sex
- Get pregnant
- Don't go to work
- Enter, or leave, any building
- Get into, or out of, your car
- Have a sex worker take Uber, Lyft or any taxi or ride service to where you are
- Receive money
- Buy anything
- Are depressed
- Breath heavy
- Are located at any location on Earth
- Move from any location on Earth to another location
- Take anything out of your wallet with a chip in it
- Vote
- Express a political opinion
- Use a dating site (Axciom and Equifax make psych profiles on you from your date data)
- Use any 'gay' code words
- Use any 'political' code words
- Speak, or listen, to anyone within 20 feet
- And thousands of other invasions of privacy...

It does these things even if you pushed the button to 'turn it off'. Most phones don't actually turn off when you think they are off because 'spies-gotta-spy'.

COVID is doing a great job of killing off all of the idiot people who grab the door-knob, bare-handed, at the post office, the Starbucks and the grocery store. COVID waits on public surfaces to kill the sheep of society.

Silicon Valley is doing a great job of killing off all the lives of the rest of the sheep who are too dumb to take the battery out of their phone. The people that walk around with a phone, or tablet, always powered on are committing digital suicide. If you buy a phone that you can't take the battery out of, you are just an idiot.

You may not want to face the truth but I can show you thousands of court records, Congressional investigations and university studies proving that every single assertion in this report is true.

Everybody in Congress knows this is all true but they do nothing because Silicon Valley is bribing almost every single one of them to do nothing. Silicon Valley's largest source of income is your privacy!
