Nancy Pelosi Has Been Enabling Sexual Predators For Decades

As Guy has thoroughly [exposed](#), over the weekend House Minority Leader Nancy Pelosi [defended](#) Congressman John Conyers as an "icon" amid allegations he fired a woman on his staff after she refused to give him sexual favors.

Over at [Vox](#), Pelosi is being called out as the ultimate enabler of sexual harassers and abusers. "That woman." She'll also being held accountable as part of the reason why women don't come forward more often when they are victims of sexual misconduct.

Conyers is the credible one. He is an "icon," she told Todd. The woman? "I do not know who they are. Do you?" she asked the host. "They have not really come forward." (The
