# Your tablet controlled "Smart Home" can be hacked into in 10 seconds by anybody

Any 14 year old kid, ex-lover, neighbor, local gangster, rapist or creep can be inside your home, in-person, or electronically, instantly.

If you are showing off your "web-enabled" home with a room full of gadgets and touchscreens all over your home, you are actually showing the world that your builders are clueless.

Any 14 year old kid, ex-lover, neighbor, local gangster, rapist or creep can be inside your home, in-person, or electronically, instantly.

If you are showing off your "web-enabled" home with a room full of gadgets and touchscreens all over your home, you are actually showing the world that your builders are clueless.
